OFFICE OF THE INSPECTOR GENERAL OF EDUCATION
IN MYSORE

Bangalore 1 Sept 1900

Dear Mr Srinivasaiyar,

With reference to
Order No 3144-5
Ed 72-96 dated 30th
August 1900 sanctioning the
State Funds Budget of Education,
I shall be glad to know if I
may now utilise the various
items formerly sanctioned
subordinate under the various

heads without having to seek for
fresh sanction in the case of
each item or class of items,
As statements A to G attached
to the Order passing the Budget
for the details according to the
statements forwarded with
my letters quoted in the Order,
it seems unnecessary to write
similar letters enclosing the
same statements for fresh
sanction, especially when there

on fresh information by our
Government. It will save
an immense amount of
time & trouble if the statements
attached to the Order passing
the budget are considered
to constitute a sufficient
authority for utilising the
sanctioned provisions for
expenditure. An early
reply will oblige me

Yours sincerely
RJ Bhabha

Beyond the rule (156) quoted at page 58 of the Civil Accounts Code, no papers or standing orders seem forthcoming in the Irregular Records.

357 90 — D O letter d 1st September 1900 from the I G of Education in Mysore requesting to be informed if he may now utilize the various items of expenditure newly sanctioned under the different heads of the Budget Estimate without having to seek fresh sanction in the case of each item or class of items

2) Letter No 2445/129 d 10/9/00 from the same officer on the same subject

Remarks by the Secretary on the D O letter mentioned above d 2nd September 1900

"The rule I think is that "mere Budget sanction is no "sufficient authority in respect "of new items Cut up references, "Standing orders etc and a note"

Article 156 of the Civil Account code lays down as

(as) follows —

× × ×

1 The fact of a charge which requires special sanction having been included and passed in a budget is no authority for its payment

Extract from Art. 156 of the Civil account Code.

× × × ×

Govt Order No 8692-93 d 28-1-96
Ed-236

also points to the same purpose, which is as follows —

× × The provision made in the Budget does not authorize expenditure of an unusual nature without further previous sanction and allotment of funds by Govt in the usual course × × × ; that only the usual and fixed charges already sanctioned will be passed in accordance with the provisions made in the Budget, and that Expenditure of an unusual nature, not heretofore incurred and not within the powers of sanction of the Dy Dl of Education, requires special sanction of Govt, notwithstanding the provision therefor in the Budget

Extract from the monthly vol. Instrs -

All the items mentioned by the I Gl in the letter cited above require fresh sanction of Govt as they come under the head 'charges not heretofore incurred'

The reasons urged by the I Gl for utilizing the sanctioned amounts without obtaining fresh Sanction are.—

1) "It seems unnecessary to write similar letters enclosing the same statements — those forwarded with the Budget & printed along with the Budget order — for fresh Sanction, especially when I have no further information to give to Govt."

2) "It will save an immense amount of time and trouble if the Statements attached to the order passing the Budget are considered to constitute a sufficient authority for

(6)

for utilizing the sanctioned provisions for expenditure"

The second of the two reasons was urged last year also on account of the items newly sanctioned and the I.G. was authorized to utilize the provision in all cases But he was asked to intimate to Govt each new appointment resulting in the utilization of the new item or items sanctioned in the Budget

Such intimations during the last year amounted to 42 in number and 112 Proceedings (orders) were issued simply recording them

In this connection the Subdivisional officer's Jodhpur (in which the Secretary also agreed) [illegible] may be quoted
